

Hi, my name is Thaer, and I ____ (at / am) from Jordan. Today's question is what is ____ (that / the) best age to get ____ (married / marry)?

Well, in my ____ (opinions / opinion), I think there is no ____ (certain / curtain) age to get ____ (marriage / married) in. I mean, the answer to ____ (that / what) question would be, are you ____ (read / ready) to have a partner for the rest of your ____ (lives / life)? Because ____ (marriage / married) is all about having the ____ (best / boast) partner to stay for the ____ (rest / rust) of your life. So, this is, this is ____ (in / on) my opinion. But in Jordan, ____ (actual / actually), what I think the best ____ (ages / age) is from 30 to 33 years ____ (older / old) because actually, Jordan is ____ (considerable / considered) one of the most ____ (expensive / expansive) countries in the world. So in ____ (order / orders) to have a, to be ____ (settled / settle) and to have a good ____ (things / thing) that you have ____ (achieved / achieving) in life, you need to be ____ (above / about) that age to get ____ (marriage / married). And actually, it's ____ (so-so / also) to get enough of ____ (you're / your) single life and to move ____ (out / on) to the next type ____ (in / of) life, which is getting ____ (married / marry). So, that's what I ____ (thinking / think).

So, what do you ____ (think / thought), what is the best age to ____ (get / getting) married?
